DESCRIPTION

The LMV-322 is designed specifically for the Sharp PN-E521. This flat-panel model-specific spacer works in conjunction with LMV Press & Release™ Pop Out Mounts or LMVS Press & Release™ Pop Out Ultra-Slim Mounts. Both the mounts and this model-specific spacer were designed to reduce the installation time for video wall projects.

FEATURES

- Model specific flat-panel spacers dramatically cut down on time and frustration of large matrix video-wall installations
- Designed specifically for the Sharp PN-E521
- Multi-monitor stacking allows a customized video wall mounting system while model-specific spacers streamline individual display alignment
- Includes GAPit™ Gauge video wall tool
