DESCRIPTION

This flat-panel model-specific spacer works in conjunction with their LMV large matrix video wall mounts. Both the mounts and this model-specific spacer were designed to reduce the installation time for video wall projects.

FEATURES

- Multi-monitor stacking allows a customized video wall mounting system while model-specific spacers streamline individual display alignment
- Model specific flat-panel spacers dramatically cut down on time and frustration of large matrix video-wall installations
- Includes GAPit[™] Gauge video wall tool
