60 lb.

DESCRIPTION

The PBC-FCMA includes the PBC-UMS universal projector mount for projectors up to 40 lb.(18 kg) and a false ceiling adapter plate (PP-FCMA). The PBC-UMS offers flexible projector positioning with four patented dual-joint support arms (US Patent number 7,942,375) that can reach almost any mounting point. The PP-FCMA replaces one standard 24 × 24 in. ceiling tile and allows horizontal adjustment for precise projector placement.

FEATURES

- Projector mount features cable routing inside pipe
- Gyrolock™ quick installation connector
- Four dual-joint support arms with Lock-It™ security leveling barrels for greater protection
- Adapter plate sits hidden above ceiling tile within the T-bar frame
- Provides nine inches of lateral shift for precise projector placement
- Ceiling adapter includes wingnuts for tool-free projector adjustments
- Replaces standard 2 × 2 ft. ceiling tile
- Features eight electrical and cable knockouts
