DESCRIPTION

This tilting compact mount for flat-panel displays is easy to install with a quick two-piece hook-in attachment design. The PRT-100 is the perfect mount for installations where a close distance between the mounting surface and display is required. It fits displays with VESA mounting patterns from 75 x 75mm to 100 x 100mm and provides 10° of continuous tilt. This economically priced mount works well for corporate, education, hospitality, residential and digital signage environments.

FEATURES

- Easy, single-stud installation
- 10° of continuous tilt
- Quick hook-in monitor attachment
- Universal mounting hardware pack included
