DESCRIPTION

The UNI-PDS combines the universal PDS-PLUS-W mount with a universal short-throw projector wall mount. Offering more adjustment options than any other projector arm, the UNI-PDS extends 7 - 27 in. or up to 67 in. from the wall when used with an optional arm extension. It does not require a stud located in the center of the whiteboard or screen and mounts to dual studs at 16, 18, or 24 in. spacing.

FEATURES

- Extends 7 to 27 in. in from the wall
- Includes patent-pending GearBox™ for amplifier PC, Mac mini™ or control modules
- Optional audio upgrade with UNI-AUD kit
- Best for classroom and conference rooms where ceiling installations are not possible
- OSHPD and DSA approved (OPA-2440-07)
- Features slotted mounting base with six interchangeable legs (four long and two short) to reach wider mounting points
