DESCRIPTION

The GB-MS2 is a tilting mount with integrated storage for flat-panels up to 175 lb. and typically fits 37" - 63" displays. A cross strap allows for mounting anywhere along the length of the mount, including the center. Built-in lateral shift provides flexible flat-panel placement. The integrated equipment storage GearBox™ holds equipment and cabling discreetly behind the flat-panel. The GB-MS2 was named "Best General A/V Product" by the 2011 Rental & Staging Systems and InfoComm Product Awards.

FEATURES

- Mounts to walls, floor stands, carts and ceiling adapters
- Three vertical height mounting options for carts and stands
- Patented Griplates™ (US Patent number 8,035,757 B2) supports flat-panels and holds displays tight on mounting brackets
- Built-in lateral shift
- Extensive hardware pack including exclusive universal spacers
- Cable and power box access
- Storage dimensions are 15 in. x 13.75 in. x 4.87 in.
