## DESCRIPTION

The LMV-409 is designed specifically for the DynaScan DS55LT6. This flat-panel model-specific spacer works in conjunction with LMV Press & Release™ Pop Out Mounts or LMVS Press & Release™ Pop Out Ultra-Slim Mounts. Both the mounts and this model-specific spacer were designed to reduce the installation time for video wall projects.

## FEATURES

- Multi-monitor stacking allows a customized video wall mounting system, while model-specific spacers streamline individual display alignment
- Designed specifically for the DynaScan DS55LT6
- Model-specific flat-panel spacers dramatically cut down on installation time for video wall projects
- Includes GAPit™ Gauge video wall tool
