DESCRIPTION

This modular three-by-three video wall stand is designed for specific 55 in. thin bezel flat-panels. This mounting system completely breaks down to make shipping, handling, and moving much easier. Fine-tune alignment of each display provided by patent-pending top adjustable mounting brackets.

FEATURES

- Completely breaks down for easier shipping, handling, and setup
- Patent pending, top-adjustable display mounting brackets ensure display alignment along the x, y and z axis
- Displays can be flown from above with quick removal of the feet
- Rapid setup using 1/2-13 bolts
- The modular design allows for additional display sections to increase array size
- Includes unique adjustment bolts to assure stand remains level
- Works with NEC X551UN
