

For Immediate Release

Premier Mounts Tours with Rental & Staging Roadshow

See Premier Mounts' latest, innovative A/V mounting products for rental & staging in New York, Chicago and Pasadena

ANAHEIM, CALIF. (July 27, 2010) – Catch Premier Mounts (www.mounts.com), a global leader in A/V mounting products, at its first stop in New York as it tours across the country with the Rental & Staging Roadshow. Premier Mounts will demonstrate and showcase its newest projector mounts, carts and stands at the tradeshow, which will be held at the Metropolitan Pavilion in New York City, July 28, 2010.

PSD-VPS Low-Profile Mobile Cart

Participating A/V professionals, lighting designers and meeting planners will have a chance to try out Premier Mounts' latest and most innovative products in mounting technology: tilting mounts for flat-panel displays; mobile carts; dual-pole floor stands; truss adapters for projector mounts; projector stackers; outdoor enclosures; and many other practical tools for the rental & staging, hospitality and events industry.

PSD-TL with Flat Panel Mount

Also on display will be this year's award-winning [GB-ENCL32](#), an all-weather indoor/outdoor enclosure for flat panels. The GB-ENCL32 won its award at InfoComm 2010 in the Rental & Staging Systems Product category as "Best Digital Signage Product" for its overall design, mounting flexibility and patent-pending ThermaVent™, which allows it to be mounted directly to a wall and avoid overheating.

**GB-ENCL32
Indoor/Outdoor Enclosure**

Rental & Staging Roadshow's next two stops will be in Chicago, August 18, 2010; and Pasadena, Calif., September 29, 2010.

PCC Truss Adapter
